

Quiz Time!

Focus First, Fun Later

Question 1: Chip says that doing your schoolwork before playing games is a 'smart squirrel move.' Why?

- A) Because homework is more fun than games.
- B) Because you will never be allowed to play games again.
- C) Because playing feels even better when you know you earned it.

Correct Answer: C

Why? Chip explained that when you finish your work first, you can enjoy your fun time guilt-free and without stress!

Question 2:

What is the very first thing you should do before you start working on your tablet or computer?

- A) Make a plan so you know exactly what to finish.
- B) Check to see if your friends are online.
- C) Watch just one funny video.

Correct Answer:

Why? Chip says you should know exactly what you are going to do—like finishing a reading quiz—and stick with it until you are done.

Question 3:

It is hard to focus if your device is beeping or showing cool pictures. What does Chip suggest to help limit distractions?

- A) Turn the music up very loud.**
- B) Close extra tabs and turn off notifications.**
- C) Open all your favorite games so they are ready for later.**

Correct Answer: **B**

Why? Chip says "less noise means more focus." Closing tabs and turning off beeps helps you finish your work faster.
