Phishing Made Simple

Question 1:

Chip says that 'Phishing' is like a fake acorn. What is Phishing actually trying to do?

- A) Give you free video games.**
- B) Trick you by pretending to be someone you trust.**
- C) Help you learn how to spell better.**

Correct Answer: B

Why? Chip explained that phishing messages are tricky traps that might look like they come from a game, your school, or even your parents.

Question 2: According to the video, what is a big clue that a message might be a fake?

- A) It has weird spelling or uses scary words to rush you.**
- B) It has a picture of a squirrel in it.**
- C) It is sent during the daytime.**

Correct Answer: **A**

Why? Chip says to look out for bad spelling and messages that try to scare you into clicking quickly without thinking.

Question 3:

If you receive a message that asks for your password or home address, what is the best thing to do?

- A) Reply and ask them why they want it.
- B) Delete it and don't tell anyone.
- C) Don't click anything and tell a grown-up right away.

Correct Answer: ©

Why? Chip says you should always show a parent, teacher, or trusted adult before you do anything else. They will help you check if it is safe!
